

**"The Major League Baseball Players Alumni Association is proud to be part of the KinderVision team, working together to create a safer world for children. KinderVision exemplifies prevention and safety through education by providing children with the tools they need to be self reliant in the matter of personal safety."**

**Brooks Robinson, HOF, President MLBPA**

The Major League Baseball Players Alumni Association was formed in 1982 in order to promote the game of baseball, raise money for charity, inspire and educate youth through positive sports images, and protect the dignity of the game through former players.

A non-profit organization, the MLBPA establishes a place where a player's drive for excellence and achievement on the field can continue long after they take their last steps off the professional diamond.

The vast majority of former big-leaguers have gravitated to the Alumni Association, including Hall-of-Famers, All-Stars, Cy Young Award winners, and Gold Glove recipients.

Former players, hoping to give back to the game, find the Alumni Association to be a vital, constructive instrument, providing a vehicle for them to be involved in charity and community causes nationwide.

"It is my great pleasure to have an opportunity to speak of the value of KinderVision. Your commitment to the safety and security of young people all across the nation is to be commended. Thank you for all you do to provide our youth this valuable public service."

~ Donald W. Fleming, Sheriff, Flagler Country Florida

## GOAL OF BENEFIT

### Protecting Florida's Youth from Predators

The goal of the KinderVision® Celebrity Golf Benefit and Banquet is to make North Central and Northeastern Florida the safest places in the country for children of all ages by raising awareness and providing personal safety education for children, youth, teens, young adults and parents, that enables them to recognize behaviors and circumstances that put them at risk by predators.

Educational materials are provided free to parents, schools, law enforcement, churches and youth-serving organizations in the following ways:

- Online through our partner television's KV Campaign webpages;
- On-site at KVKids and TGS (The Greatest Save) events;
- On-air through KV Safety Vignettes;
- In the classroom through KV "Downloadable Classroom Materials".

KinderVision's dream is that one day all children of all ages will know how to avoid putting themselves at risk, recognize immediately when they are at risk, and respond instinctively to protect themselves from those who would harm them.

Join the KinderVision® "Dream Team"... help us make that dream a reality.

*"The Greatest Save is the one we never have to make"...*

Palm Coast, Florida

KinderVision®

“Education that Empowers and Protects”

The KinderVision® Foundation is a 501(c)3 non-profit community service organization whose primary purpose is to teach children, teens, and young adults the basics of personal safety via a unique, pro-active multimedia program aimed at raising awareness and preventing abduction and sexual exploitation.

Prevention through education has been the goal of KinderVision® since 1991 and is accomplished using several methods including the "Greatest Save" Safety Quiz, the KinderVision® safety education videos (K.I.N.D.I., Little Red Said and Big League Interview), comprehensive on-line elements, on-air safety education messages, and downloadable school resources that provide children of all ages with the tools they need to be self-reliant in the matter of personal safety.

KinderVision® is available in English and Spanish and is supported nationwide by law enforcement, the FBI, the White House, and parents everywhere.
