Hammock Beach Resort once again hosted the KinderVision KinderVision Celebrity Golf Benefit and Banquet on October 25 and 26 with over twenty retired baseball players and special guests including retired PGA pro Donnie Hammond, retired NBA Magic player Anthony Bowie, and Major League Baseball Hall of Fame members Steve Carlton, Gaylord Perry, and Rollie Fingers, national spokesperson for KinderVision.

Guests enjoyed autograph signings, a silent auction, and dinner in addition to the Hall of Fame panel discussion. Video footage was provided of Rymfire Elementary using KinderVision in the classroom with students in grades K through 6 and a recap was given of Saturday's events which included a free baseball clinic coached by the retired players along with a KinderVision safety event held at Indian Trails Sports Complex for 200 area youth.

The team from CBV Resort Homes captained by Gaylord Perry won the golf tournament on Monday held at the Ocean Course at Hammock Beach Resort.

Proceeds from the event weekend will be used to provide educational resources to empower area children, teens, and young adults with the tools they need to recognize risk and respond appropriately to prevent abduction and exploitation.

The KinderVision Foundation is 501c3 dedicated to preventing the abduction and exploitation of children, teens, and young adults by providing educational resources on line, on site, and on air. For more information, visit www.kindervision.org.
